## SCHOOL NEWS

Dear Goldback Students and Families,

Welcome back! I hope Spring Break provided you with time to rest, recharge, and enjoy meaningful moments with family and friends.

As we return, we begin the final and most important phase of the school year.

This is a time to refocus and give your very best each day.

To our students: Show up ready to learn, stay focused on your goals, and support one another along the way. Finish strong!

To our families: thank you for your ongoing support and partnership. Your role is essential, and together we will continue to push our students toward success.

Seniors - Class of 2026: As Monday, April 6th there are 57 school days left to GRADUATION! Let's stay committed to excellence.

After writing the referral, the administrator's will meet with the student to acknowledge the positive referral will be mailed home.

This is an exciting initiative to recognize students in a positive manner.

Students were recognized and celebrated in a ceremony on March 25th.
