## PRINCIPAL'S UPDATE

January 2026

Dear NFA Students & Families,

**Happy New Year and welcome back! We hope the break gave our students time to rest, recharge, and reset for the months ahead.**

**A new year is a chance for all students to refocus, set goals, and take ownership of their growth—academically, socially, and personally. Every day matters!**

**To the Class of 2026: this year is especially important. Graduation is on the horizon, and the work you do now will help determine how strong you finish.**

**Stay focused, stay committed, and take advantage of the support and opportunities available to you as you prepare for this major milestone.**

**We ask all students to start the year strong: be on time, be prepared, support one another, and take pride in your school community. Your choices matter, and our staff is here to support you every step of the way.**

**Thank you to our families for your continued support. We look forward to a productive, successful start to the year.**

**Welcome back—we're excited to see all that our students, especially the Class of 2026, will accomplish.**
