

NFA MAIN CAMPUS NEWS LETTER

March 2026

PRINCIPAL'S UPDATE

As we move into March, our counseling and administrative teams are actively preparing for next year's course scheduling process.

In the coming weeks, students will begin reviewing course options, discussing academic goals and selecting classes that best support their interests and post-secondary plans.

We encourage families to take some time at home to talk with your child about their goals and the courses that will help them grow. Your partnership is essential in helping students make thoughtful, informed decisions for a successful year ahead.

If you have any questions, please don't hesitate to reach out to our school counselors for support and assistance.

The NFA Main Administrative Team

No school -March 20

Spring Break

March 30-April 3

NFA MAIN SPOTLIGHTS

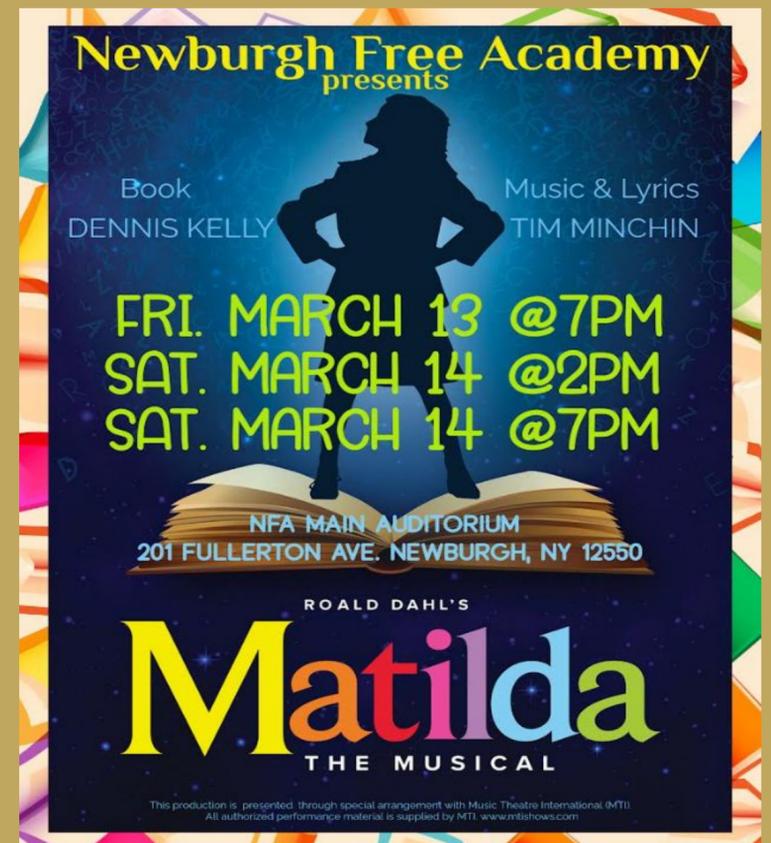

We are honored to celebrate our Social Workers, Ms. Diaz, Ms. Peralta and Ms. Smith not only during National School Social Workers Week (March 8 -13) but everyday! They play a vital role in supporting the well-being and success of our students. Through counseling, crisis intervention, and ongoing emotional support, our social workers help students navigate challenges that may impact their learning and personal growth. Their partnership with families, teachers, and community resources ensures that every student has access to the tools they need to thrive academically and socially. We are grateful for the positive impact they make in our school community each day.

Town of Newburgh Police Officer Austin Joyce came to Mr. Mayer's College Forensic Science classes as a guest speaker. Officer Joyce is now working with K9 Bandit and was able to talk to the students about his experiences working in NYC, the Town of Newburgh, and now working as a K9 unit. He not only spoke about criminal justice careers and his own career, but also had a great message about what it takes to make your dreams come true. His positive attitude and willingness to allow students to create a constructive discussion was extremely fruitful for my class and the future outcomes of the students.

NEW NEWS

Tickets are now on sale for NFA's production of *Roald Dahl's Matilda the Musical*.

Performance dates are March 13 & 14. Seating is reserved. Tickets can be purchased at
