RE: Vacancies – INTERNAL – Schedule “J” Special Services – 2025-26

POSTING NAME: Elementary Lead Instructional Coach (Math)

The Elementary Lead Instructional Math Coach will serve as a key leader in strengthening mathematics teaching and learning across the district. This role focuses on modeling high-quality math instruction aligned with i-Ready Math and the Science of Numeracy, while supporting building leaders, teachers, and staff in implementing effective instructional practices.

Key Responsibilities:

- Model standards-aligned mathematics lessons in classrooms to support teacher development and student learning.
- Provide job-embedded coaching, feedback, and guidance to teachers in alignment with i-Ready Math and research-based numeracy practices.
- Collaborate with principals, assistant principals, and instructional leaders to align school-based goals with district priorities.
- Design and deliver professional learning sessions for teachers, grade-level teams, and staff focused on the Science of Numeracy, differentiated instruction, and best practices in math instruction.
- Analyze student performance data to support schools in identifying trends, closing achievement gaps, and accelerating growth.
- Support the integration of technology and instructional resources to enhance mathematics learning.
- Serve as a thought partner for district leaders in building capacity and sustaining high-quality math instruction across schools.

Qualifications:

- Valid teaching certification (elementary or mathematics focus preferred).
- Minimum of 5 years successful teaching experience, with demonstrated expertise in elementary math instruction.
- Deep knowledge of the Science of Numeracy, mathematics pedagogy, and best practices in intervention and enrichment.
- Experience with i-Ready Math or similar diagnostic and instructional platforms.
- Proven ability to coach, mentor, and build capacity in adult learners.

STIPEND AMOUNT: \$7,377.00
